

WINE

Representing local wards from Botriver to Agulhas, white-wine grape varieties such as Chardonnay, Sauvignon Blanc and Chenin Blanc flourish in this cool climate region, with red-wine varieties such as Pinot Noir, Pinotage, Bordeaux Blends and Shiraz shining on the world stage.

This unique wine experience gives you the opportunity to select your favourite varietal and taste 6 wines from different producers alongside each other. Find your favourite and enjoy a glass or bottle with a sharing plate, platter or main meal.

Method Cap Classique Tasting Flight 90

MCC flights contain sparkling wine made in the traditional, bottle-fermented French method (method champenoise), all exclusively produced in the region.
