Tasting Flights of local wines on this menu are arranged according to varietal, with each flight consisting 30ml samples of the 6 wines in that flight. The price (below the varietal listing) indicates the cost of a formal tasting. All the wines are brought to your table together with a set of tasting notes and a pencil for scoring. The individual labels are presented, and the waiter will share information about each wine. Great experience!

* All tasting flights are available to purchase by-the-case at cellar-door prices - ask your waiter for details.
